API Returned Products

Unopened products may be returned only after receiving authorization (RMA). Returned products are subject to inspection and may have a 10% restocking fee upon API evaluation.

Laser Optics and Focus Lenses

In addition to the above 'API Returned Products,' optics must be in the original packaging, unopened, and free of damage. No return will be accepted if it has been opened.

PCB and other Boards

A 10% restocking fee will be applied if the package is unopened. If the package is opened, a 50% restocking fee will be applied. Return products are subject to inspection.
