Parts Return Policy

Non-stock parts require a 50% non-refundable deposit prior to order

Items classified non-returnable by our vendor – not acceptable for credit

Parts returned 0-30 days – 25% restocking charge on returnable items

Parts returned over 30 days – special handling subject to vendor's return policy

Minimum parts return - \$25.00 extended value

All returns must be authorized prior to returning parts and must be accompanied by the original packaging and a copy of the original invoice on which the parts were purchased.

Terms of Sale or Lease

Acceptance of delivery of the equipment described hereon shall constitute acceptance by the buyer or lessee of the following terms and conditions upon which said equipment is sold.

Disclaimer of Warranties

The buyer agrees and acknowledges that Shoppas material handling, Ltd ("SMH") makes no warranties express or implied, with respect to the equipment or part sold or leased except such warranty as may have been given to the buyer or lessee in writing by SMH and SMH expressly disclaims any warranty or merchantability or fitness for a particular purpose with respect to such equipment or part.

Disclaimer of Liability

The buyer agrees and acknowledges that SMH disclaims and shall have no liability whatsoever for any damage, loss or injury to a person or property, including any damage, loss or injury attributable to SMH's negligence or fault resulting from or arising out of the manufacture, sale, lease, delivery, installation, repair, operation, failure or use of such equipment or part. In the event that this document pertains to the lease of said equipment, above terms and conditions shall apply to the lessee thereof the following additional terms shall prevail: (a) lessee insurance thereon; (b) the equipment shall at all times remain the property of SMH and shall be returned to it upon expiration of the rental period in the same condition as at the date of delivery, ordinary wear expected.

Terms of Sale for Used Equipment

This being used equipment in the manufacture or production of which we were not involved (this sale is on an "as-is" basis) and all warranties, expressed or implied as to the merchantability or fitness for a particular purpose are expressly negated. All claims for deficiencies must be made within 48 hours after receipt of goods

Toyota Warranty Disclaimer

Certain equipment, parts, accessories or attachments either purchased under this invoice or used during services rendered under this invoice were not manufactured by or on behalf of or specifically sold or approved by Toyota Material Handling, U.S.A., Inc. ("TMHU"). Such equipment, parts, accessories or attachments are not included in any warranties, express or implied, furnished by TMHU or any of TMHU's suppliers.

All past due accounts are subject to a 1 -1/2% finance charge per month

SERVICE DESCRIPTION

BROKEN BELT

REASON FOR SERVICE

FAN BELT WAS WORN.

CAUSE / CONDITION**REPAIRS MADE****ADDED COOLANT.REMOVED/REPLACED FAN BELT.**

Traveled to customer location and inspected truck. Verified belt on truck was worn and replaced it. Inspected truck and function tested all pulleys to confirm they were operating properly and belt had failed due to age. Once new belt was installed, truck was showing faults for low coolant. Added coolant to truck and verified no overheating issues. Spoke with customer and confirmed satisfaction with work performed. Job complete, returned truck to service.
