ACTIVITY	QTY	RATE	AMOUNT
Labor:Remote Support Kyle Cleaver - Connecting Claude to O365. Remoted in, added Kyle to the Claude user group in Entra enterprise apps and connected the O365 account to it successfully.	0.25	160.00	40.00
Labor:Remote Support Kyle Cleaver - Connecting Grok to O365. Remoted in, using the Grok terminal connected it to Kyle@ but failed, instead it connected the Admin@ also verified through the AI agent. Using Grok disconnected the Admin@ account, access O365 admin/Entra enterprise apps and found the SpaceX AI app, configured it and added Kyle as a member. Using Grok again, connected the Kyle@ account and verified. Last I switched Outlook to Outlook classic and pinned it to the taskbar leaving it to update folders and emails.	0.50	160.00	80.00
